PLUTO

The **Pluto** event urinal is your chance to earn more money with every event. This easy to transport and easy to maintain urinal avoids big queues and increases the waste capacity without the need of transporting additional toilets to the event site! An added advantage is that your other event toilets will stay cleaner during the event when the Pluto urinal is being used.

It is a win-win situation: the event organiser will be more satisfied because of the increased capacity and cleaner toilet. The toilet rental company will have an excellent return on investment!

Why choose for the Pluto?

- Same floor dimensions as a portable toilet
- More transport possibilities
- More capacity
- More toilet usages
- Higher return on investment
