

Web and Graphic Designer

The company:

Satellite Industries is the world's largest supplier of products in the portable toilet industry including toilets, service units and deodorizers. The European Headquarter is in Brussels.

Website: www.satelliteindustries.com

Satellite is the global market leader, both for volume and quality. We are a family owned, long-term successful company of American origin guaranteeing employment stability, long term growth opportunities with a drive to always improve ourselves and progress. We provide a fun, professional, ethical, safe environment.

Satellite is a strong medium sized company, large enough to be the market leader, but small enough to continue to cultivate our "family" spirit and a friendly, cooperative spirit between colleagues across multiple countries.

Location :

Satellite Industries

Avenue de la Toison d'Or 67, 1060 Brussels

4th floor

Job Responsibilities :

- Design and update a wide range of digital and print materials such as product brochures, parts catalogue, flyers, newsletters, postcards, invitations, online ads, Social Media images, presentations, video, etc.
- Assist Marketing Coordinator with creative concepts for trade shows that adhere to brand standards and develop print banners, posters, stand panels and other deliverables.
- Maintain and enhance websites by updating content, adding, and improving design and interactive features.
- Implementing multiple language translations across all communication materials
- Edit product images.
- Responsible for managing print orders and dealing with external suppliers.

Required Skills & Qualifications :

- Bachelors or equivalent degree in Graphic Design, Web Design, or related discipline.
- 3+ years' work experience in the field.
- Proficiency working with common industry applications, especially Adobe Creative Suite Illustrator, Photoshop, and InDesign.
- Good understanding of HTML/CSS/PHP/JavaScript.
- Comfortable working on multi-language projects.
- Experience with video editing is a plus.
- Understanding of production, pre-press, print and web-based technologies.
- Ability to meet tight deadlines.
- Good organizational and planning skills.
- Proficiency in English.
- Comfortable in French. Other European languages are a plus.

Our offer:

- Good working atmosphere
- International environment
- Full-time permanent contract
- Attractive salary based on profile and experience
- Annual profit-sharing programme
- Annual salary increase programme based on objective measurement tools.
- Individual office
- Occasionally working from home is a possibility
