## **Impact Statement of Eco Blue on Waste Treatment Plant**

To Whom it may Concern:

The intent of this letter is to describe the impact of our Eco Blue product on waste treatment plant. Eco Blue is not expected to have a negative effect on these systems. The novel aspect and uniqueness of this patented product is that it does not contain Bronopol or any other biocide, preservatives, bacteria, or enzymes. This feature along with the other Eco-Friendly nontoxic ingredients in Eco Blue will not adversely affect Waste Treatment plants. The main components of this product are biodegradable and mal odor control, starts immediately upon toilet usage.

Please feel free to contact me at the number listed above if you have any other questions.

Thank you,  
Ramya Kothamasu
