

Wave

Why?

The redesigned Wave has even more to offer with its sealed freshwater tank for added hygiene. The sealed tank allows for the use of chlorine tablets to kill harmful bacteria that may be living in the water, helping protect the user and the public from harm.

Color

GRANITE

Features

Foot pump allows for hands-free cleaning, making the Wave more user friendly.

High-pressure nozzle for maximum dispersement of water.

Latch to lock down and secure fresh and gray water compartments.

Large gray and fresh water compartments completely separated to prevent cross-contamination.
